## A unique blend

A somewhat "unique blend" of cultures and people filled the halls of HHS in 1985 and 86. Although there were many popular styles of dress each person had his own different personality. Along with the students, the school made a rather different appearance itself. The new lobby was finished and it gave a more modern look to the building outside and in. Computers literally "took over" the school when they were used for scheduling, report cards, and school records. Most banners and signs were printed from the computer. The gridders once again captured an undefeated season and traveled to the state finals. New classes were added to the curriculum such as zero hour gym, problem solving, and a gifted and talented course. All in all, 1986 was a different year all in its own.

# RETIREEES

The most important tool of the classroom is the teacher. This year we had to lose four of these special people.

Miss Ruth Halladay, who retired last year, taught at Hobart for 25 years. Before coming to Hobart, she taught in a little town called Sweetser for 3 years, South Whitley for 2 years, and spent 4 years working in Nigeria. After she returned from Europe, she went to the University of Wisconsin to gain her masters degree.

Miss Halladay came to Hobart from North Manchester, Indiana. She attended the University of Wisconsin where she earned her VA in music with a minor in English. After teaching music for a few years, Miss Halladay learned she enjoyed teaching English more. She then taught such subjects as British literature, novel, world literature, senior composition, junior through freshman English, speech, and drama through the years.

Miss Halladay enjoys knowing students are interested in learning, both in Nigeria

and the United States. Most students will also be surprised to know that Miss Halladay first intended to be a music teacher.

Teaching in Nigeria, Miss Halladay lived in a little town 10 miles outside of Russia. She especially enjoyed touring the countryside and meeting the refugees fleeing from the Communist country. Even though this experience benefitted her, she says living there in the rubble and ruins before the wall was built was very scary.

After an operation to correct her eyesight, Miss Halladay plans to pick up on reading where she left off. She also wants to work on her piano skills, garden, sew, and keep in contact with all of her friends far away through letters.

Mr. Fay Trammel decided to retire after 32 years of service to education. Before working for the Hobart school system, he taught in Indianapolis for three years and Diver High School for three years.

Mr. Trammel taught social studies sub-

jects of all kinds, mostly government and economics. He also coached such sports as golf and basketball.

In his free time Mr. Trammel plans to travel and visit many golf courses in the area.

Mrs. Ruth Ann Deal, a health and safety and home economics teacher for 26 years also turned in her resignation. Mrs. Deal taught such subjects as health and safety, sex education, interpersonal relationships, and child development.

Another English teacher, Mrs. Barbara Somers, has not retired but is on disability leave. During her free time, Mrs. Somers is spending time with her daughter who is back from college.

Although Mr. Joe Mrak only taught print shop and then metal shop at HHS for several years, he spent many years in the Gary school system.

Mr. Trammel coached basketball during his years teaching in Indianapolis.

## Yesterday

Yesterday was filled with small delights  
baubles, trinkets, toys to pleasure me  
for my love brought me tinkling beads of  
glass And tiny bells which whispered in  
my ears.  
Bits of fur to nuzzle and caress  
My love gave birds with merry notes  
And perfume mists to tingle at my nose  
And rings and poems and many  
many things.

Today is filled with half-cold memories  
No playthings for my fingertips  
The bead strings were too weak to hold  
Broken glass makes sorry souvenirs  
The fragile bells cannot be coaxed to ring  
How dull and musty bits of fur can grow  
Unhappy birds must surely fly away  
Amber scents which once were so discrete  
Grow stale. And rings and poems  
and many things.

# COMMUNICATIONS

**Yearbook/Newspaper Staff:** Front Row: D. Redmon, J. Fraser, P. Shafer, S. Gregor, K. Fattore, K. Rogula. Back Row: J. Jackson, M. Logan, B. Franko, D. Zakutansky, J. Remaley, P. Boyter, S. Webb, J. Lazart, T. Wilson, J. Dillon

The 1986 yearbook staff was reduced to only six members and the 1985-86 newspaper staff had only four members. The one department the two staffs were abundant in was photographers with four. This was the first year the yearbook and newspaper classes were combined into one class period; also the class period was only 50 minutes. This lack of time to spend with the two staffs individually cut down production a great deal. Also between the two staffs, only two members were on the yearbook or newspaper staff previously. The yearbook and newspaper class visited Purdue University Calumet for the Northern Indiana Journalism Seminar. The Ho-Hi Life came out every

three weeks throughout the school year.

When the radio and TV teacher, Mr. Tony Rose, was promoted to assistant principal, Mr. Dave Baranczyk took over as the instructor. The transition took place Feb. 10. Mr. Baranczyk taught the same class at the Gary Career Center for one and a half years. The class went on a field trip to a television station in the early part of the year. Students made newscasts, game shows, and a video of Hobart High School. Also each morning Mr. Baranczyk sent some students to HHS to video tape students and faculty to show on the screen in the new lobby at lunch. Announcements and other important messages were put on the screen daily and run

throughout the entire day. The radio and TV class had two cameras, a switcher, a character generator, and two portable VCRs.

The freshman students were allowed to take speech for the first time. Miss Mumaugh's theatre class went to see the musical "CATS" May 1. Color video was added to speech and advanced speech classes. Students were taped giving their speeches so they could see themselves giving their speeches and learn their weaknesses. Projects, debates, and dances occurred throughout the year in speech, advanced speech, and theatre.

# LANGUAGES

Many happenings occurred in the English classes. Mrs. Vera Cory began teaching British Literature. In her Sophomore Honors English class the students put together a satirical "publication" called the "Daily Diatribe" which made fun of local newspapers. In Mrs. Jackie Moore's English classes she had her students continue their ideas on the plot of novels and to write books of poetry. Mrs. Judy Lopez's AP English class went to Purdue University Calumet to see "Oedipus" and also to IUN Humanities Conference. With the absence of Mrs. Barbara Somers who went on disability leave, Mr. Larry Skubish was hired for the second se-

mester to take Mrs. Somers classes.

The foreign language department had a busy year. Mrs. Barbara Shinovich added a fifth year class to her schedule. During the year some fourth year Spanish students were allowed to go to Mr. Mel Kaczmarek's sixth grade social studies classes and they spoke on Spain, Mexico, Puerto Rico, Colombia, and Venezuela. The students prepared foods, slides, transparencies, and musical tapes and they acted as role models for the youngsters. The Spanish students did research projects on famous people of Hispanic countries. Recorders were used to reinforce comprehension and speaking, and a

video of "Running of the Bulls of Pamplona, Spain" was shown. Miss Sharyl Mitchell's Spanish class did a video project the last two weeks of the semester and there was some added software to the Spanish department. Mrs. Vera Cory's German class did a video in German of popular game shows and movies featuring Herr Kartoffelkopf, or better known as, Mr. Potato Head. Miss Marcia Quick, first year French teacher, resigned to marry in December. Miss Cathlene McCarty was hired to fill the vacancy for the second semester.

Leading the marching band in the Homecoming parade are Julie Halascsak and Scott Welch.

Drum major Tom Ehrhardt gives the command to start the performance

In May, Mr. Jay Gephart handed in his resignation, ending his two-year career as HHS band director. Mr. Gephart accepted a graduate assistantship offered from Indiana University, his alma mater, to continue his studies in music education.

For the first time in three years, the HHS

marching band was led by female and male drum majors. Junior Tom Ehrhardt and Senior Wendy Hayes were chosen "outstanding drum majors - Class B" at the Chesterton Invitational Marching Band Contest. In Class B, HHS took fourth place honors. Also, the marching band placed fourth overall with a Division II rating at the ISSMA Marching Band Contest. The band performed its winning program for the football playoffs and the final game at the Hoosier Dome.

Several members were chosen for the Indiana All-State and Honor Bands. Junior Colleen Crowder and Senior Gail Streit played in the All-State Band, while Juniors Jim Grubbs (first chair trombone in the state) and Phil Stratton performed in the All-State Honors Band.

A new addition to the music department, the Brass and Flute Choirs performed at various functions in and around the city and participated in the State Solo and Ensemble Contest in the spring.

HHS sponsored District I Solo and Ensem-

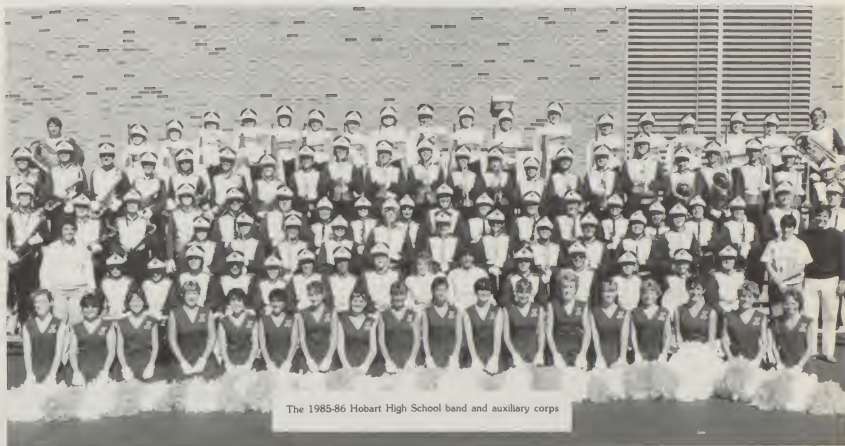

ble Contest Feb. 8 at which 23 students qualified for state competition at Butler University March 1. Of the 17 events entered, the students received nine first places and eight second places.

The Concert and Symphonic Bands, the marching band counterparts, participated in the District I Organizational Contest April 19 at Portage High School. The Concert Band received a Division I rating with near-perfect scores of "8, 8, and 9," while the Symphonic Band took a Division II rating. The Symphonic Band also participated in the Seymour High School Invitational Band Festival April 12, where it received a rating of "excellent." The band also had the honor of working under the direction of Dr. Steven Pratt, Associate Director of Bands at Indiana University, in preparation for the Portage festival.

The Jazz Band, which takes place during zero hour, received a second place rating in the District I Jazz Festival at Crown Point High School.

Tom O'Rourke was part of the Indiana All-State Choir. Students from all over Indiana came to Indianapolis to qualify to be a member of the choir. At the competition, Tom sang "The May Day Carol."

The judges obviously liked his song, because a couple weeks later, he received a letter asking him to take part in the European tour.

Before the tour actually started, Tom and the other 200 singers went to Philadelphia for five days of practice. On June 25, the group started its 20-day tour of Europe.

On the itinerary for the appropriately called European Express were countries such as Austria, Italy, Switzerland, Germany, France and England. Well-known cities on the tour were London, Paris, and Venice. While in these cities, the singers were accompanied by multilingual guides and sang in various languages.

# SOCIAL STUDIES

Sophomore Matt Kietzman punches up the right keys on his consumer economics project.

The social studies department experienced a combination of education and amusement this year. Mr. Blink teamed with three other staff members to teach a gifted and talented "seminar." These students produced many projects, including a final videotape activity. The government classes hosted a few choice career speakers, which in-

structed them on filling out job applications and resumes, and also organizing themselves for the future. Miss Hanley's classes did such things as making inventions of the future, and participating in such simulation games as "stock market" and "sunshine." Mr. Brown's classes took art in a wide range of activities. His government classes took part

in an election study, and a local government observation, for first hand information on certain governmental processes. His economics class did a stock market study to encourage an investment interest; and the taste test: store brands vs. name brands; convenience vs. scratch; a budget record and a food record.

Several artists from the Hobart Arts League, including Mrs. Jackie Moore, English teacher, shared their expertise with painting and drawing students and demon-

strated their techniques in watercolor, acrylics, and oil. The craft classes visited Kokomo in the spring to see how glass is made. Offerings in the arts and crafts area's included

Drawing I and IV, Painting I-IV, Commercial Arts I, Leather I, Ceramics I-IV and Stained Glass I. Enrollment in these classes increased due to the addition of the seven-period day.

# MATH — SCIENCE

As another year of classes comes to a close, so ends one more interesting year in Hobart High history.

The math department witnessed the introduction of a new course — honors geometry, and a handful of new and old faces contributing to the success of the school team in the math competitions. Hobart High has placed great emphasis on the gifted and talented program this year, which is responsible for the introduction of the honors geometry course. Administration informs us that it has been introduced for an accelerated group of students which have needs for the faster progress. These students did such things as researched historic mathematicians,

gave introductions to math mysteries, and built elementary teaching aids. New faces, and old, were recognized this year at the math competitions. Karen Lowe and Jeremy Garrison were the new hotshots added to this year's team which previously consisted of Davide Ivaldi, Leonard Jerva, and Diane Wineinger.

The science department news was headed by such events as the temporary loss of Miss Schrader, student winners at this year's science fair, and the introduction of accelerated physical science and research. At the science fair, honorable mentions were given to Jenny Balog, Stephanie Batcha, Lori Murray, Beth Shafer, and Sherrie Whiteford;

while Randy Shafer, Julie Brandenburg, Leonard Jerva, Jenny Sauer, and Rich Evan-  
 seck and Patrick McEuen were awarded places. Rich and Patrick went on and placed third at the regional fair, and Julie was honored with a special award from the Marine Corps. The science department also decided to introduce accelerated physical science and research. Since biology, normally a sophomore requirement, is now being offered to the freshmen, it was introduced to fill the gap between biology and chemistry/physics.

The Spanish Club also went to Water Tower Place. The French Club spent a day in Chicago during May. While there, members visited the Art Institute, went for lunch in a French restaurant, and saw a French movie. The Booster Club participated in the Football Homecoming and created Athlete Appreciation Day for Basketball Homecoming. The Computer Club tried to make an instructional guide for teachers to use the computers, but Miss Sharyl Mitchell, the sponsor of the club, said that it didn't turn out too well. The Math Club sponsored the Aloha Senior Dance which was held in May. Also the Math Club and National Honor Society took opposite

The Geniusus Players sponsored many plays throughout the year including "The Golden Goose" for the elementary students. They also sponsored the Literary Night which was a big success. Some Geniusus Players also went to see the play "Cats" in Chicago May 1. The Health Careers Club participated in the annual blood drive and went to Hammond Red

Cross for training where members received a plaque for a successful drive last year. The Photography Club sponsored pictures with Santa Claus and the Easter Bunny. # SHIFTY *Spikers pull out conference win over tough Pirates*

The volleyball team finished its season with a 6-17 record. The highlights of the season included a Duneland Conference victory over Merrillville and a sectional win over River Forest.

Senior Co-Captains Paula Shafer and Sherry Toneff were named to the All-Dune-

land Conference team. Coach Carmen Dulhanty, in her third year as coach, gave her awards to Toneff for top defensive player and top spiker, Shafer for top spiker, and Rachel Stazinski for the Lady Brickie award.

This was the first year that the clock wasn't used in games. Each game was

played to 15 regardless of time.

Coach Dulhanty said the team play greatly improved. The girls executed well on offense and defense, but lacked consistency. A strong group of freshmen showed promise for the future.

"Even though we didn't have a winning season, we had a lot of fun playing. We were better than our record shows. We just had some bad breaks in some matches."

# NUMEROUS *Injuries halt varsity cagers, key personnel*

The boys' varsity basketball team ended its year with a 9-14 record. The boys reached the finals of the Valparaiso sectionals, but lost to Valpo, 54-42. Defeats of River Forest and Portage, both for the second time this season, led them to the final game.

Mr. Tom Workman, ending his sixth year as head coach, said that the season was good overall but injuries to key personnel kept them from winning more games. Senior Scott Duncan was named to the All-Conference and All-Sectional teams. He was the team MVP and the leading scorer. Ron Ger-

man was the team's most improved player and Rich Ehrlich won the first Bob Hunt dedication award for mental attitude. Duncan and Ehrlich were the co-captains. Coach Workman was assisted by Mr. Bob Graham.

## Victory over Lowell highlights girls season

The girls' basketball team's 4-15 record showed a slight improvement over the 1984-85, 1-16 record. The girls best outing of the season was the victory over Lowell in double overtime after being badly beaten by Lowell earlier in the season. After winning the first two games of the season over Wheeler and

River Forest, the girls only won two more games the entire season. Besides defeating Lowell, they defeated Griffith 56-48.

Coach Jeff Loveless gave his awards to Monica Noguera for most improved, Ann Marie Waldron received the Bob Hunt Men-

tal Attitude Award as well as the best defensive player. Roberta Adams led the team in rebounds, Danielle Lajic led the team in free throw percentage, and Vikki Sasak had the best field goal percentage. Senior Heather Dockter led the team in assists.

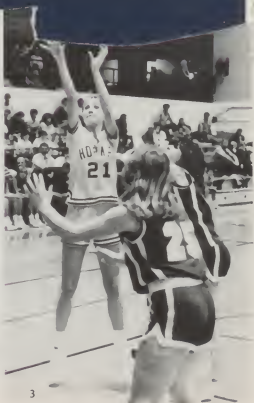

"I learned a lot from the new coaches this year. Even though our record wasn't so great, the coaches will have an opportunity for better seasons in the future."

## Team keeps gymnasts from reaching full potential

The girls' gymnastics team finished the 1985-86 season with a 5-6 record. The team's victories came against Munster, M.C. Rogers, Lowell, LaPorte, and M.C. Elston. It was coached by Maggie St. Germain, in her sixth year.

The team consisted of only three members, which made it difficult for the team to compete. Coach St. Germain was pleased with the team's performance, though. Sophomore Natalie Goocher, who had the highest point total on the team, placed fourth on the

floor exercises against Chesterton, which has a much larger team. Julie Roskowski received the Drive, Dedication, and Determination award from the coaches. Coach St. Germain hopes that more talented girls will join the team next year.

## '66 home run record broken by Senior Mark Miller

The boys varsity baseball team finished with the record of 16-11-1. One of the highlights of the season were the double header sweeps over Gary Roosevelt and East Chicago Washington. Also Junior Ron German hit three grand slam home runs during the sea-

son, and Senior Mark Miller broke the home run record of eight that stood since 1966. Coach Dwight Mathis, in his 15th year, and assistants, Coach Eli Ford and Coach Jim Herrick are very hopeful for the future. "The future looks very good with our exper-

ience gained and the quality of players returning," said Coach Mathis. The season was shorter this year because of the state reduction of 30 games to 28. The captain of the squad was Senior Mike Crussen.

1. Sophomore Jeff Ford rounds third base and heads for home plate against Portage.

2. Ron German takes off with the pitch in a hopeful hit and run situation.

Mr. Bob Hunt with his wife Bernyce

A very treasured and respected man in our school, Mr. Bob Hunt, passed away this year.

A teacher at Hobart for many years, we will all remember his unique way of presenting the facts. Some of our parents can even talk about how he told stories to no end. He taught such subjects as English, history, and business math. All seemed to be one class combined because he always shared his wisdom, no matter what class you happened to be in. He always told of his vacations and his war experiences. On top of all of this, Mr. Hunt was a very kind and compassionate man. He was sure to be the teacher that would buy the excuses like "My dog ate it" or "I lost it on the bus." He never seemed to ever be in a bad mood and joked as much as the kids did. He was always behind the school teams, rooting them on, especially his love, basketball. That's why his passing is something Hobart High students will remember.

# ADMINISTRATION

The 1985-86 Administration went through many changes. Superintendent Richard Abel and Assistant Superintendent Linda Hardin turned in their resignations after disputes over false credentials. Assistant Principal Eric Witherspoon took over as Assistant Superintendent and Dr. Raymond Golarz was named superintendent, beginning in June of 1986.

Although the present contract between the administration and the Hobart Teacher's Association expired in August of 1985, a new agreement was not reached until May of 1986 giving students a seven-hour day again next year.

All seniors move their tassels to the right, symbolizing graduation.

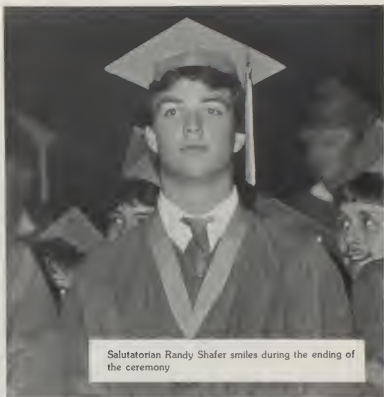

Congratulating each other after the ceremony are Michelle Gerke and Jimm Stack.

On one of the most important nights of their lives, two hundred and eighty-four seniors said goodbye to Hobart High June 5. After assembling in homerooms and lining up for the procession, the "alumni" entered the auditorium to the Graduation March. Eric Haussman began the ceremonies with the invocation. Class President Patrick McEuen then welcomed all members of the audience and stage. In witty humor, Reverend Cynthia Reynolds spoke to the graduates about their future. Vice President of the School Board, E. Randall McEuen, commented to the graduates on successful futures. Presenting the class was Principal Richard Barack and accepting them was new superintendent Raymond J. Golarz. Assist-

ing School Board President V. Eugene Reisinger and Member Thomas L. Chelle to present the diplomas were Rosalind Howell and Jeff Loveless, guidance counselors. All graduates then rose for the Alma Mater sung by the Concert Choir. A tearful benediction was given by Cathy Baker and the newly inducted alumni were led by Valedictorian Diane Wineinger and Salutatorian Randy Shafer in the recessional.

Valedictorian Diane Wineinger patiently awaits her turn to speak.

Salutatorian Randy Shafer smiles during the ending of the ceremony.

Giving the invocation prayer is Eric Haussman, representative of the Senior Class.

Accepting her diploma is Pam Stallon, a happy graduate.

# SENIORS

At some point during the year, the Class of '86 knew its high school days were coming to an end. Remembering their first week as sophomores, many students wondered where the three years had gone.

Seniors will be leaving the "brick" laden halls of HHS, in which knowledge was gained, and long-time friendships were made, to enter a world in which they will be able to pursue their career goals and fulfill their dreams.

The class motto was "We came together as strangers but we leave as eternal friends." The class colors were red and white and the flower was a tea rose. The class chose **Michelle Girton** as Football Homecoming queen and **Kim Manjarrez** was crowned queen at the Basketball Homecoming.

**Senior class officers:** Heather Dockter, treasurer; Jenny Fraser, secretary; Patrick McEuen, president; Paula Shafer, vice-president.

# JUNIORS

The Junior Class was very busy this year preparing for the Prom.

The \$3,000 the class raised last year selling candy bars, was used to sponsor the 1986 Junior-Senior Prom, "Magic is the Night." It was April 26 at St. Sava's Hall. The class set an all-time high by raising more money for the Prom than previous years' classes had.

The juniors won the float competition on this year's Football Homecoming. Their theme was, "Capsize the Pirates."

Members of the class chose Tracy Partin as Football Homecoming princess and Kelly Wilson was crowned princess at the Basketball Homecoming.

# FRESHMEN

Members of the Freshman Class went through many changes as they entered HHS, as do most freshmen. They experienced harder classes, "bullying" from upperclassmen, and a larger atmosphere.

The Class of '89 sponsored one of the many sock hops this year after a basketball game.

Freshmen participated in the Homecoming events by entering their float with the theme "Pound the Pirates."

The class chose Linda Seibel as its Football Homecoming princess, and Krystal Wiggins was crowned princess for Basketball Homecoming.

This has to be the biggest burden I've ever gotten off my shoulders! I thought this day would never come, and it finally has. The task of being editor-in-chief was a bit more than I expected (Melinda and Cindy — I guess you were right!)

Now that I can finally say I have **completed** (a majorly important word to me at this point in time) I can say my goodbyes to the most "unique" and nutty staff I'm sure Mrs. Lambeth has ever had. Even though there were times when I became angry and upset, I always left the room laughing and sometimes even crying because of those silly antics.

Well, Mom, won't you miss us? I think you need a **case** of aspirin this year! Thanks for your patience and extra time!

Hank, you were the only sane one of the group! Thanks for keeping me sane too! Couldn't have done it without ya' babe!

Kent, for being a half-year guy you weren't too bad! I think I will invent a new toy named after you — a "Jeff-in-the box"! Want my Bears pin?!

To one of my sports guys, Zak, I leave you a box of proportion wheels. It will keep you busy for a while! Good luck next year guy!

Hey, Uncle Bob, get to work! Sorry you got stuck with Academics "Frnako"! Muchas Gracias, chico! Maaaaaaahaaaaaa!

Matt, how come we couldn't find a good nickname for you? You're okay the way you are! Thanks for all your time after school! Let's see who can get the new Genesis tape first!

Rusty, thanks for being one of my hardest workers. You didn't cost me **much** money! Have fun!

Jody thanks for being the brave one — the Indexer! Best of luck for the next year.

Steve, I wish you all the luck in the world — you might need it! After all is over, I think you will be glad you did it!

Sue, the money-maker! I'm so glad I had you on the staff. Ads are hard to do!

Jim and Tami, what a team! You made the darkroom lively! Best wishes!

A very special thank you goes to Melinda Cochran. You saved me! You loved it that much?!

Many thank you's to all the people who contributed to this book. Good luck Ho-Hi's. It was fun! My final goodbyes go to you, the students. Without your many personalities and faces, this wouldn't have been possible at all!

Have a happy life!

the 1990s, the number of people with a diagnosis of schizophrenia has increased in the United Kingdom (Meltzer 1997). The prevalence of schizophrenia in the United Kingdom is estimated to be 1.2% (Meltzer 1997). The prevalence of schizophrenia in the United States is estimated to be 1.1% (Meltzer 1997).

There is a growing awareness of the need to improve the lives of people with schizophrenia. The World Health Organization (WHO) has developed a set of guidelines for the management of schizophrenia (WHO 1993). The guidelines recommend that people with schizophrenia should be treated with a combination of medication and psychosocial interventions. The guidelines also recommend that people with schizophrenia should be treated in a community setting rather than in a hospital.
